

## SECTION F:

### **SELLING YOUR HOME**

As a reminder to those of you who plan to sell your home and move on to new adventures, please remember to have your Gate and Recreation Centre fobs deactivated before giving them to your lawyer for transfer at closing. To have your Recreation Centre fob deactivated, simply take it to the Recreation Centre's office.

For your gate fobs, these can be given to the Property Manager at the Recreation Centre office, left with your lawyer or left on the counter of your home on the closing day.

It can be frustrating for newcomers who try to use our facilities and then must pay an additional cost if the fobs have not been received. Please ensure that the current Owner's Manual is given to the new Owner prior to your move.
