

Release, Hold Harmless and Indemnification Agreement.

The loan of medical equipment or device is solely for the benefit of the borrower. The owner makes no representation or guarantee as to the condition of the equipment or device or to the purpose for which the borrower intends to use it. Owner renders no medical advice or recommendation to borrower for use of the equipment or device.

Residents borrowing equipment should take it to their Doctor, Physiotherapist or Health Care Provider prior to using it to ensure suitability, stability and safety. Borrower accepts full responsibility for the equipment and its use. Residents do not guarantee the safety of the medical equipment or its suitability for any medical purpose and assume no responsibility and shall not be liable for any injuries caused from using the equipment. Borrower uses equipment or device at their own risk. By borrowing medical equipment, borrower agrees to release and indemnify owners from all claims for injuries or damages caused by its use.

All equipment borrowed is to be returned sanitized and in good condition. Borrowers shall notify owner of any malfunction of the equipment. Faulty equipment will be removed from the list once identified.
