

## Letter to the Editor

I just felt that I wanted to write this letter to remind the community about the fantastic job HOTG does.

For years as a magazine only, HOTG has aspired to bring, successfully I should add, to the homeowners, up to date news and pictures of past and future events in and around our community. The magazine has grown to be a professionally run excellent publication, but by an all-volunteer staff. The staff works hard and long to prepare for every issue, which we all take for granted.

Now even more than ever with the merging of the web site into HOTG, all news moves even more quickly through the community.

I feel that a special mention should go to Peter Sims and his group for undertaking so successfully the preparing and launching of the new HOTG website.

Thank you all past and present members of HOTG.
