

Canasta

If you would like to play with other BGCC residents please join us on Fridays at the Rec Centre at 10:15 -1:00pm. We are just starting this up on Jan 24, 2020 and are hoping to have a growing group.

We are also seeking a volunteer to teach interested residents how to play the game.

If you are interested in playing on Friday's and/ or volunteering to teach please contact: Jodi Dewar Jodid@rogers.com

How to play Canasta

Canasta is a very versatile and fun card game that can be played with four players who split into two teams. The game can also be played by three, or two, individual players.

We will be playing using the version from Bicycle Playing Cards. Check the website <https://bicyclecards.com/how-to-play/canasta/> for more information.
