

Ladies No Stress Golf

Do you get stressed out at the thought of joining a golf league? Feel intimidated playing with experienced golfers?

The Ballantrae Ladies No Stress Golf League is for you!

Play the 9 hole executive course on Tuesday mornings at Royal Stouffville Golf Course, conveniently located on Hwy 48 just north of Bloomington Rd.

Meet other ladies who like a leisurely walk around 9 holes, enjoying nature and each other's company. Hit a few balls, but don't worry about keeping score. This is truly NO Stress!

Meet for coffee after the round and get to know your neighbours.

We play from May to September. If you're interested in finding out more, contact one of the ladies on the Resident Organized Activity Contact List.
