

Handmade Greeting Card Club

Anyone can go to the store, grab a card from the shelf and mail it, but making one with your own hands shows the person that receives the card just how much you care.

Our card club enables you to create cards that do just that. Both seasoned card makers and beginners will enjoy making cards learning different techniques using the latest images and current colours. There are lots of tips and tricks taught as well.

Each week members make two cards for \$10.00. All supplies and tools except adhesives are provided.

We meet Tuesdays at 11:45 in the Rec Centre. Check the Resident Organized Activities for details.
