

Announcing our new and improved HOTG Newsletter

This new newsletter will be our *third* communication vehicle from Home on the Green. We have our quarterly magazine, our hotg.ca website and now our periodic newsletter that we can use to keep residents up-to-date on what's happening in the community.

IMPORTANT

Because we have a new newsletter back end system, **you must Subscribe in order to receive our newsletters going forward, regardless whether you received newsletters in the past. If you do not Subscribe, you will not receive future Newsletters.**

Just click [here](#) to fill out our new Subscription Form.

And please forward to your neighbours who may be interested in joining.

Thank you.
