

YORK REGION VACANT LAND CONDOMINIUM CORPORATION NO. 968

April 8, 2020

Dear Owners and Residents,

RE: Board's Communication to all Residents

The Board would like to thank all residents for being so responsible during these very challenging times.

Maintaining our social distance and self-isolation are the two main ingredients fighting this virus and protecting our families, friends and neighbors, who may be more vulnerable than us.

As the weather starts to change, we are seeing more and more residents out enjoying the fresh air and sunshine, walking and riding their bicycles.

With the increase in pedestrian activity it becomes more important for residents to ensure that all pets are kept on leash.

Be well and keep safe.

Board of Directors.
