Dear Owners and Residents:

RE: Condo Manager Operation

We hope you are all doing well and keeping safe.

In light of the recent unprecedented COVID-19 emergency situation, Management would like to note that as of now, regardless of the Rec Center being closed, the Condo Management operations do not change.

Despite the challenges and adaptations required, we will perform our duties and be available to residents as usual, via email and via phone.

During these exceptional times, FirstService Residential has supplied managers with tools, technology and capabilities to perform business daily routines while still maintaining public health recommendations on social distancing.

Please note, that we will continue following news updates from the Public Health Officials / Government Authorities and will update all residents accordingly.

Should you have any questions, please feel free to contact me directly.

Stay safe, be well and take care of yourself and your loved ones!

Sincerely,

FirstService Residential
