

YORK REGION VACANT LAND CONDOMINIUM CORPORATION 1202

March 27th, 2020

Dear Residents

The Board of Directors of YRVLCC 1202 and The Ballantrae Recreation Center, are committed to the health, safety and welfare of the Ballantrae residents and community.

We have been closely monitoring the situation regarding the Novel Coronavirus pandemic, and reviewing various orders announced by the Municipal, Provincial & Federal levels of Government.

As most citizens are already aware, the Ontario Government has issued multiple announcements and orders recently that do impact the Recreation Center. The most impactful being that.

- On March 17th, 2020 the Province of Ontario declared a state of emergency, included in that was the closure of all facilities providing indoor recreational programs. Please click the link below to access the full announcement.

In keeping with Government orders and recommendations the Board of Directors has determined that the Recreation Center will remain closed until April 8th, 2020 or until such time that is determined to be in the best interest of the safety and security of the community to reopen.

The Board of Directors and management continue to work closely together and monitor the situation in the best interest of the Ballantrae Community. The staff of the recreation center and the property managers will continue to be available by phone and email.
