RE: NOTICE - Unit Lot and Unit Garden, Tree Inspection

Management would like to take this opportunity to thank all owners for keeping their property in great outstanding conditions and within the Condo 1 Regulations.

As you are aware, on June 16 we concluded the Unit lot inspection, it was a blessing, during inspection to have a chance to meet and talk to some of you and receive your feedback and ideas, thank you for your trust.

With the above note, we always count on you for help and support to achieve and maintain the beauty we have in Condo 1.

As a friendly reminder there are few Owners that need to pay extra attention and remove some little grass weeds that are popping out in between patio, driveway interlock bricks, garden beds and tree saucer. Based on inspection few units will receive an addition individual notice.

From the Board and Management, a big Thank You to you all for your contribution and support to make Ballantrae a great place to live!

Should you have any questions or concerns, please feel free to contact me.

Sincerely,

FirstService Residential
