RE: NOTICE - AGM Postponed

The Board of Directors of YRVLCC 968 are committed to the health, safety and welfare of the Ballantrae residents and community.

The situation surrounding COVID 19 is continuously evolving. With restrictions on social distancing, public gatherings and work places continuing to be active, the Board of Directors has decided that the Annual General Meeting that is typically held around this time of the year will be delayed until it is determined to be in the best interest of the health and safety of all owners to commence with a gathering of this size.

The Board of Directors and management continue to work closely together in the best interest of the Community.
Depending on Ontario Government Emergency Orders we will provide updates as they become available.

We hope that everyone is healthy and safe, and we thank you for your patience and co-operation during this new reality.

Sincerely,

FirstService Residential
