RE: NOTICE – Welcome Committee Update / Weed Spray

On behalf of the YRVLCC 968 (condo 1) Board of Directors,

The Board was very pleased to introduce a team of volunteers to form our Social/Welcome Committee last fall. Their first initiative was to welcome all of our new residents.

The committee of Mary Bresser, Deb Garneau, Marie Hewitt, Helen Hunt, Nancy Clarke and Linda Weir, created welcome packages which included flyers from the area, donations from our local pharmacy and some home cooked cookies. This will be an ongoing initiative.

From a social perspective the committee identified a worthy local cause called the Fill a Purse Campaign. This is a campaign that brings comfort, hope and dignity to women and youth in crisis, with the gift of purses filled with personal necessities. Condo 1 donated over 100 purses. Thank you to everyone.

The Committee will continue to welcome all of our new neighbours and once we are in a safe and healthy position after Covid, look for ways to celebrate and get together once again.

On a separate note, weather permitting, TruGreen will be spraying a second application of weed intervention later this week. Please do not interrupt the technicians while they are spraying. If you have any questions or concerns please contact Property Management.

Thank you,
