Events Calendar shows all events with specific dates / times, regardless whether within BGCC or outside our gates.

Things to Do and Places to Visit list attractions in our neighbourhood, without specific dates.

Display of [Event Calendars](#)

- Where the display has enough space such as on a laptop, a full calendar is displayed, like this:

Sun	Mon	Tue	Wed	Thu	Fri	Sat
25	26 10:00 am - 12:00 pm LifeLong Learning Markham Spring Lectures 2:00 pm - 4:00 pm Dr. Olivier Courteaux - Current Relationships between Canada, USA and China	27	28 2:30 pm - 5:00 pm BGCC Trivia Contests	29 2:00 pm - 3:30 pm Thornhill LifeLong Learning Spring Series	30	1
2	3 2:00 pm - 4:00 pm Sally Armstrong - Afganistan (specific topic to be decided)	4	5 1:00 pm - 2:00 pm Veggie Burgers, Teriyaki Style	6 1:30 pm - 2:30 pm Perfect Warmup for Golf 2:00 pm - 3:30 pm Thornhill LifeLong Learning Spring Series	7	8

Clicking on the event will take you to the page describing the event.

- Where space is limited, like on a smartphone, the calendar is displayed with dots on the days where events are planned. When you click on the dot, a list of events for that day is displayed below the calendar (see image to the right), and when you tab on the event, you will be taken to the page describing the event.
