

Ladies 9 Hole Golf

We play every Thursday morning at variety of golf courses in the area. We start in early May and play as long as possible, providing the weather is good.

Our last golf day is usually at the end of September, but last year we played well into October with a beautiful closing luncheon at Spring Lakes Golf Course.

This year we will have our opening Golf Game at Spring Lakes Golf Course. – followed with a luncheon. More information will follow on this event in the spring by email.

After all expenses are paid, we donate to the Stouffville Food Bank.

If you would like to take part in our 2022 Ladies' 9-hole Golf League, all you need is the love of laughter, companionship and golf. If you would like to join our FUN group, please let me know by email: hanneloregalyen@rogers.com, and I will put you on our opening distribution list for the 2022 season.

Here are some golf pictures and our final lunch at Spring Lakes Golf Club.
