

## **Rules for Booking Tennis Court Times**

### **Background:**

1. Each year the BGCC Tennis Club is required to submit a schedule of the club's proposed court time usage to First Service Residential Property Management (property manager), for their approval. First Service has been given this authorization by the Board of Directors of Condo 1202 (Recreation Centre).
2. The Board of Directors of Condo 1202 have mandated that "BGCC Tennis Club usage shall be limited to 50% of the available court time".

## **Rules for Booking Court Times Outside the BGCC Tennis Club's Approved Usage Schedule**

- **2 Day Booking Rule:** Members/non members are permitted to book a court time 2 days prior to the date they want to play. For example: If you are playing on Sunday, the earliest you can book is Friday morning at 8am but not before 8am
- **3 Day Booking Rule:** The Club Pro is permitted to book a court time 3 days prior to the date he/she wishes to use the court for lessons.
- **Booking Conflicts:** If there are more people (members/non members) than courts for a particular time slot, then you flip a coin for the time. (For booking courts, it is **not** a first come first serve basis. If you arrive at 7:30 am and someone arrives at 6:45 am, the arrival time does not make a difference. You still flip a coin with all contenders at 8am. Disputes will be resolved by the BGCC Tennis executive.

- **Booking Restrictions:**

- A member/non member can book 1 court for singles for 1 hour or 1 court for 2 hours for doubles
- A member/non member **cannot** book the two courts for the same time.
