

As part of the garden committee's update of the common areas, a Memorial Garden was established surrounding the circular patio near beds 55 & 56, (overlooking the 4th & 5th golf course hole).

The Memorial Garden is officially open!

Special thanks to John McLelland for his very generous donation of a park bench to our Memorial Garden

A black granite memorial plaque is set in a garden. The plaque is rectangular and has a polished surface that reflects the surrounding greenery and a person taking the photo. The text on the plaque is in a white, serif font. The garden around the plaque features green plants with large leaves to the left and a patch of green grass to the right. The ground around the plaque is dark soil.

*This garden is dedicated to
the memory of our friends
and family members
who have passed...*
