

William John Oliver
February 25, 1936 to June 7, 2022

Beloved husband of Louise Oliver (Anderson), wonderful father to Jill Easton (Alex McCracken), Sandra Oliver (David Farnfield) and Jason Oliver.

Fondly remembered by his grandchildren Madelaine Easton (Conor Rochon), Charlotte Easton (Sam Ruscica), Brett Farnfield, Brooke Farnfield, Melanie Oliver and great grandchildren, Easton Rochon and Forrest Rochon

We lost our dear husband and amazing father Tuesday June 7th after a brave 2 year battle of Lewi Body Dementia. He was the true gentleman through and through. He never complained and was loved by all his nurses. It was a tough battle for all of us.

We couldn't have asked for a better father and role model who protected us, loved us unconditionally and supported us in every venture. He loved his grandchildren and great grandchildren. Family was always his priority which we cherish and carry on his legacy. He taught us about all levels of culture, music and sports. He was simply the best to us. He loved our mother and worshipped her as his partner for 62 years.

We have such great memories to embrace and to remember him well and cherish all he was to us.
