

# *Ballantrae Recreation Centre*

**Dear Ballantrae Owners/Residents: We hope that you and your families are keeping well and enjoying the beautiful Fall weather. The Rec Centre would like to take this opportunity to send out a warm welcome to all new residents. With another season upon us, we are thrilled to continue seeing everyone enjoying the facilities and look forward to many exciting events to come.**

# *Rec Centre Updates*

## **Recreation Centre Updates:**

As many of you may have noticed, the Rec Centre has a beautiful new front entrance walkway. The new modern pavers were recently installed by Bouwmeister, providing all those who frequent the Rec Centre a great first impression. Soon to be installed is a new hand railing to assist with accessibility, especially with Winter approaching.

The Rec Centre and Board of Directors is excited to announce that Phase 1 of the reimagining of the outdoor spaces has commenced with ground being broken the first week of November. The project is estimated to be completed mid spring 2023. Residents can look forward to a completely rebuilt space with new paving stones, a stone retaining wall, garden beds, shrubs, evergreens, and grasses. The area will also be home to two first class bocce ball courts.

The Rec Centre continues to work with industry professionals on determining the staining issue on the pool surface. Over the next approximately 18 months we look forward to resolving the issue and performing a full renovation and update of the pool / whirlpool area.

Beginning on Tuesday November 1st, 2022- residents will have the opportunity to begin booking private events scheduled for 2023. Bookings are made through Laura, the site administrator, at the recreation centre.
