Meet our new Pro!

The BGCC Tennis Club is excited to welcome **Anzalene Latiff-Rayman**, a certified teaching Pro who will be coordinating individual and group lessons and putting on clinics for our members. "As an avid student of tennis for over 16 years, I am continually striving to improve my own tennis game while enjoying the opportunity to support others in their growth and love of the game".

(One Free clinic will be offered to New Members!)

Assisting Anzalene, you will see the familiar face of our past Pro, **Slavko Radek**.

For details on how to contact our pros, fees, clinic dates etc. please visit BGCC Tennis on the www.hotg.ca website under Activities. Let us know what you need and they will be there for you.

Ladies' & Men's Leagues

The Ladies' League will play on Tuesday mornings from 8:00 am to 12 noon. The Men's League will play Wednesdays from 4:00 pm to 7 pm.

Mixed Doubles Tournament

For 2023 a "Mixed Doubles Tournament" will replace the Club Championship program. Six person teams will play in a fun format. The goal of the tournament will be to provide a non-competitive team tennis event on the weekend of Sept 23-24. (Rain date Sept 30-Oct 1).

Drop-Ins

Drop-Ins are a good way to meet other members of the club and improve your play. Join in anytime during the 9:30 to noon session and leave when you've had enough fun and/or exercise.

Mondays 9:30 to 12 noon; Wednesdays 9:30 to 12 noon; Saturdays 9:30 to 12 noon.

Ball Machine

All members have access to the ball machine. First time users must receive instructions from **John Perz, 905-640-3999** or **Neil Kinney, 905-642-8498**. Fee is only \$20.00 for the season. Use the Sign-Up Board for booking one hour only.

Planned Socials

The club will be offering more big and small opportunities to socialize in 2023. There will be no charge for socials which typically include round robin tennis, food & refreshments. The year-end social/mixed doubles tournament will be held on Saturday/Sunday, Sept 23-24, (Rain Date Sept 30-Oct 1).

Members' guests who are not tennis club members are invited to the social part of any event for a nominal fee.
